COURSE OUTLINE

Department Name:	Regional Arts Program
-------------------------	-----------------------

Course Name:	Arts Leadership and Management
Course Code and Section:	ADC4M

Course Description:	This course will help prepare students to act in leadership and management roles within the field of visual and performing arts. They will design and implement a plan for contributing to and cultivating their school arts community. The arts marketplace demands multilevel thinkers and this course provides an incubator for a plethora of transferable skills. Students will work collectively to develop proficiency in communication, interpersonal relations, teamwork, conflict management and the enhancement of creativity and imagination. Students will examine group dynamics and their ability to function within the confines of an organization to the fulfillment of specific goals. The course will address learning styles to empower students to value diversity, recognizing that we are a community of diverse learners each with unique gifts and talents.
