*We believe that each one, created in the image and likeness of God, is called by name into the Dufferin-Peel community to realize the Ontario Catholic School Graduate Expectations to the fullest extent possible as we all journey from the early years to vocation.*

## COURSE OUTLINE

<b>Department Name:</b>	Technology
-------------------------	------------

<b>Course Name:</b>	Exploring Technologies
<b>Course Code and Section:</b>	TIJ10S

<b>Course Description:</b>	This course enables students to further explore and develop technological knowledge and skills introduced in the elementary science and technology program. Students will be given the opportunity to design and create products and/or provide services related to the various technological areas or industries, working with a variety of tools, equipment, and software commonly used in industry. Students will develop an awareness of environmental and societal issues, and will begin to explore secondary and postsecondary education and training pathways leading to careers in technology-related fields.
<b>Strands/ Units:</b>	<b>Exploring Hospitality – Mr. Schaller</b> <b>Exploring Graphic Design – Mr. Weatherbe</b> <b>Exploring Photography – Mrs. McGarry</b>
